20,454 Total Orders	14,127 Completed	5,946 Cancelled	1,284 Go-Backs	381 Still Open
69% Completion Rate	29% Cancel Rate	6.3% Go-Back Rate	14.1 days Avg Delivery	33 Active Crews

OVERALL GRADE: B- Good year with clear areas to improve

2025 was a solid year. Crew quality was excellent (6.3% go-back — best in company history). The completion rate improved to 69%. However, the access call backlog (19,656 unsettled) remains the #1 unresolved crisis. Cancellation rate (29%) is too high. Several drafters had critically poor performance that dragged down delivery times.
